

List of Thesis Papers

ক্রমিক	শিরোনাম	লেখক	সাল
	Ph.D Thesis		
১।	Precursor States for the Graphitization of Coal Found in the Northern Zone of Bangladesh	Jiban Podder BUET Session: 1987 – 1988	June, 1995
২।	Geomorphology and its Relation to Floods in South-Western Part of Chapainawabganj District, Bangladesh	Shabiha Yeasmin University of Rajshahi	October, 2009
৩।	Geomorphic Evolution of the Barind Tract, Bangladesh	Dr. Md. Bazlar Rashid	June, 2011
৪।	Inversion of Magnetic Anomalies with Application to the Western Foreland Shelf Region of Bangladesh	Shaikh Enayet Ullah Jahangirnagar University	1999
৫।	Geochemical Investigation of Organic and Mineral Matter in Different Coal Samples in Bangladesh	Md. Majibur Rahman Jahangirnagar University	February, 1999
৬।	The Analysis of Crustal Structure, Modeling and Tectonics of Bangladesh, Bengal Basin Using Geological and Geophysical Data	Bidhan Chandra Mandal University of Calcutta	2011
৭।	Landform Evolution and Geo-Environmental Assessment of the Jamuna Valley, Bangladesh	Dr. Md. Shamsuzzaman University of Rajshahi	June, 2011
৮।	Characterization of Selected Petroleum Source Rocks and Reservoir Rocks of Bengal Basin (Bangladesh) Based on Geochemical, Petrographical and Petrophysical Methods	Md. Farhaduzzaman University of Malaya Kualalumpur	2013
	M.Sc. Thesis		
১।	Geomorphology and Sedimentology of the Mymensingh Terrace and Adjoining Modern Sand Bars of the Old Brahmaputra River, Mymensingh, Bangladesh	Shammi Akter Jahangirnagar University Session: 2007 – 2008	March, 2011
২।	Mineralogy and Petrochemistry of Some Precambrian Hard rock Core Samples from Maddhapara, Dinajpur, Bangladesh	S.M. Mahbubul Ameen Jahangirnagar University	May, 1998
৩।	Identification of Clay Minerals and Clay Diagenetic Changes within the Paleogene and Neogene Shales from Jaintiapur and	Kazi Mohammad Iqbal Hossain	May, 1999

ক্রমিক	শিরোনাম	লেখক	সাল
	its Adjoining Areas, Sylhet District, Bangladesh	Jahangirnagar University Session: 1994 – 1995	
৪১	Characteristics of Red Soil Horizon in Bangladesh	Md. Aftabuzzaman University of Rajshahi Session: 2002 – 2003	February, 2011
৫১	Neotectonic Activities Along Madhupur Tract and its Adjoining Areas	Mrinmoy Kumar Maitra University of Dhaka	December, 2009
৬১	Geomechanical Characterization of Rock Mass at Bandar Mahkota Cheras, Kajang, Selangor, Malaysia	Md. Selim Reza Universiti Kebangsaan Malaysia, Bangi	November, 2015
৭১	Biostratigraphy and Paleoecology of the Sub-surface Kopili Formation at Jaipurhat Area, Bogra District, Bangladesh	Golam Sarwar University of Dhaka Session: 1976 – 1977	1980
৮১	Stratigraphy, Sedimentology and Micropaleontology of the Drilled Samples of Begumganj Test Well No. 1 Noakhali District, Bangladesh	Nazrul Islam Khandaker	1979
৯১	Quaternary Geology of Lalmai-Mainamati Hill Range, Comilla District, Bangladesh	Qazi Salahuddin	1980
১০১	Landscape Evaluation From Satellite Images and Bore Log Data Analysis for Urbanization of Savar Upazila, Dhaka	Md. Sanoar Rahman Jahangirnagar University Session: 2003 – 04	August, 2007
১১১	Hydrogeology and Groundwater Pollution Potential of Chippewa Creek Basin, Wayne County, Ohio	Shafiu H. Chowdhury University of Akron	August, 1995
১২১	A Geomorphological and Petrological Study of the Newly Deposited Sediments of the River Ganges (Padma) in the Rajshahi District of Bangladesh	Ashraf Uddin University of Dhaka	1982
১৩১	Paleoenvironmental Reconstruction from Core Samples and Seismic Data Interpretation of the Titas Structure Brahmanbaria, Bangladesh	Mohammad Najibur Rahman Jahangirnagar University Session: 1994 – 95	May, 1999

ক্রমিক	শিরোনাম	লেখক	সাল
১৪।	Sequence Stratigraphy and Petrography of the Surma Group of Rocks Sitakund Anticline, Chittagong	Md. Moniruzzaman University of Rajshahi Session: 2000 - 01	August, 2008
১৫।	Geological Significance of the Eastern Part of the Tista Fan Using Remote Sensing Technique	Deepti Sarkar University of Rajshahi Session: 1999 - 2000	August, 2007
১৬।	Channel Dynamics of the Old Brahmaputra River Using Remote Sensing Techniques, Mymensingh District, Bangladesh	University of Rajshahi Session: 2004 - 05	May, 2012
১৭।	Applicability of Synthetic Aperture Radar (ERS-1) and GIS Technology for Coastal Change Monitoring in the Oosterschelde Tidal Basin, The Netherlands	A.K.M. Khorshed Alam International Institute for Aerospace Survey and Earth Sciences	September, 1993
১৮।	Stratigraphy, Sedimentology and Micropalaeontology of the Upper Tertiary Sediments from the Hijla-Muladi Wildcat-1, Barisal, Bangladesh	Md. Azizul Huque University of Dhaka Session: 1975 – 76	1979
১৯।	A Geomorphic Approach to Flood Hazard Assessment and Zonation in Bangladesh, Using Remote Sensing and a Geographic Information System	A.T.M. Asaduzzaman International Institute for Aerospace Survey and Earth Sciences	October, 1994
২০।	Structure, Stratigraphy and Sedimentology of the Upper Tertiary Sediments of the Central Part of the Sitakund Hill Range, Chittagong, Bangladesh	Syed Humayun Akhter University of Dhaka Session: 1975 – 76	1979
২১।	Interpretation of Seismic and Well Log Data: A Case Study of Rashidpur Structure, Bengal Basin	Md. Ahsan Habib University of Rajshahi Session: 1997 – 98	June, 2006
	B.Sc. Thesis		
১।	Internship Report on Basic Coastal and Marine Geology and Characteristics of Coastal Sediment	Yeasmin Akhter Eza University of Dhaka Session:	February, 2019
২।	Petrography and Geochemical Analysis of Sylhet Limestone	S.M. Mohammad Ullah SUST Session: 2011 – 2012	May, 2017

ক্রমিক	শিরোনাম	লেখক	সাল
৩।	Evaluation of Environmental and Socio-economic Impact Due to Cyclone Aila, Present Condition and Adaptation Practices in Shyamnagar, Satkhira of Bangladesh	Jahangirnagar University Session: 2008 – 09	June, 2013
৪।	Geological Field Report Along Ghagra – Rangamati Road Cut Section, Rangamati, Bangladesh	Mohammad Shahid Ullah University of Dhaka Session: 2001 – 02	
৫।	Evaluation of Reservoir Properties in Gas Reservoir of Begumganj Gas Field Based on Core Analysis	Subrina Islam & Shakil Ahmed Military Institute of Science and Technology	2019
Project Report and Others			
১।	Potential Field Geophysical Investigation for Metallic Minerals in Gilajhuki-Jarullabad Area of Mithapukur Upazila under Rangpur District, Bangladesh (GSB-KDS Group Joint Program)	Dr. Idris Miah, Dr. K.M. Shamsul Arefin, Muhammad Arifuzzaman, Krishna Kanta Nag, Md. Wahiduzzaman, K.A.H.M. Syfur Rahman & Md. Shahjahan	June, 2008
২।	Socio-Economic Consequences of Universal Primary Education in Nigeria (M.Sc. Thesis) (Project Report)	Tanveer K. Hoque University of Nigeria	June, 1981
৩।	Report on the Electrical Resistivity Sounding and Remote Sensing Studies for Ground Water Investigation in the Selected Areas of Alikadam, Rangamati & Khagrachari of Greater Chittagong Hill Tracts District, Bangladesh (UNICEF – GSB JOINT PROJECT)	Idris Mian, K.M. Shamsul Arefin, Muhammad Arifuzzaman & Sujit Kumar Das	March, 1994
৪।	Remote Sensing Application for Lithological Mapping and Targeting Laterite and Bauxite Deposits in Koraput District, Orissa (PGD REPORT)	Mohammad Nizamuddin GSB	2000
৫।	Scientific Cruise on Pacific Ocean: An Autopsy of Sea Training (Training Report)	Md. Rubel Sheik GSB	January, 2018

ক্রমিক	শিরোনাম	লেখক	সাল
৬।	Spatiotemporal Analysis of Flooding that Causes Agricultural Land Damage: A Case Study at Sirajganj District in Bangladesh (PGD REPORT)	Md. Azahar Hossain GSB	July, 2020
৭।	Chemical Analysis Report of Geological Samples Collected from Different Part of Bangladesh during July, 2011 to June, 2021 (Compilation Report on Chemical Analysis)	Ahmed Muneem, Shakera, Md. Reazul Islam and others GSB	November, 2021

GSB Library
